#### Snapshot vs. 1-year-subscription

- Snapshots: Report including the data frozen at the time of purchasing  
 1-year Subscription: Access to the actual data at any time for a whole year  
 All EITO data is updated twice a year, once in spring and once in autumn.

#### Single user license vs. corporate license

- Single user license: May be used only by one single user  
 \*Corporate license: May be used by multiple users, valid for one company worldwide  
 Please contact the eito service if you are interested in purchasing a corporate license
