

1. Table of contents

1.	Contents	2
2.	EITO Country Report France	10
2.1	The French IT equipment market	12
2.2	The French software market	15
2.3	The French market for IT services	18
2.4	The French market for telecommunication equipment	21
2.5	The French carrier services market	24
2.6	The French market for Consumer Electronics	27
2.7	Data tables	29
3.	EITO Country Report Germany	32
3.1	The German IT equipment market	34
3.2	The Software market of Germany	37
3.3	The IT services market of Germany	40
3.4	The telecommunication equipment market of Germany	43
3.5	The Carrier Services market of Germany	46
3.6	The Consumer Electronics market of Germany	49
3.7	Data tables	51
4.	EITO Country Report Italy	54
4.1	The Italian IT equipment market	56
4.2	The Software market of Italy	59
4.3	The IT services market of Italy	61
4.4	The telecommunication equipment market of Italy	63
4.5	The Carrier Services market of Italy	66
4.6	The Consumer Electronics market of Italy	69
4.7	Data tables	71
5.	EITO Country Report Spain	74
5.1	The IT equipment market of Spain	76
5.2	The Software market of Spain	79
5.3	The IT services market of Spain	81
5.4	The telecommunication equipment market of Spain	84
5.5	The Carrier Services market of Spain	87
5.6	The Consumer Electronics market of Spain	90

5.7	Data tables	92
6.	EITO Country Report UK	95
6.1	The IT equipment market of the UK	97
6.2	The Software market of the UK	100
6.3	The IT services market of the UK	103
6.4	The telecommunication equipment market of the UK	106
6.5	The Carrier Services market of the UK	109
6.6	The Consumer Electronics market of the UK	112
6.7	Data tables	114
7.	EITO Country Report Austria	117
7.1	The IT equipment market of Austria	118
7.2	The software market of Austria	120
7.3	The IT services market of Austria	122
7.4	The telecommunication equipment market of Austria	124
7.5	The Carrier Services market of Austria	126
7.6	Data tables	129
8.	EITO Country Report Belgium	131
8.1	The IT equipment market of Belgium	132
8.2	The software market of Belgium	135
8.3	The IT services market of Belgium	137
8.4	The telecommunication equipment market of Belgium	139
8.5	The Carrier Services market of Belgium	141
8.6	Data tables	144
9.	EITO Country Report Denmark	145
9.1	The IT equipment market of Denmark	146
9.2	The software market of Denmark	148
9.3	The IT services market of Denmark	150
9.4	The telecommunication equipment market of Denmark	152
9.5	The Carrier Services market of Denmark	154
9.6	Data tables	157
10.	EITO Country Report Finland	159
10.1	The IT equipment market of Finland	160
10.2	The software market of Finland	162
10.3	The IT services market of Finland	164
